

Connor woke up and he found himself in a forest. It was dark, but there were a few lights. He was sitting on the ground and he saw a young girl in front of him. She had dark hair and green eyes. She looked to be about the same age as Connor.

"Hello." She greeted, "My name is Ruby. What's yours?"

"Connor." Connor replied, "Where am I?"

"This is a forest." Ruby replied.

"I know it's a forest, but where is it?"
